EXPERIENCE

Project Intern(UI Development) - Prodapt

📅 Aug 2023 – Feb 2024 📍 Remote

Chennai, India

- Collaborated with the design team and fellow developers to build user interfaces, ensuring cohesive design and functionality.
- Implemented polished user interfaces with NuxtJS, TypeScript, and TailwindCSS for consistent styling.
- Developed an AI-based system for audio and image captioning using pre-trained models, to classify the content.
- Optimized the AI system, increasing overall speed by 30% and reducing processing time.
- Collected and structured data, and seeded it in the database using Drizzle ORM, to improve data management and the user experience.

Automation Tester Intern - Limra United Technologies

📅 Sep 2022 – May 2023 📍 Hybrid

Chennai, India

- Collaborated with the testing team to test modules and report bugs using TypeScript with Cypress and Java with Selenium.
- Conducted manual testing by executing different test cases and creating comprehensive test reports.
- Leveraged Cypress and TypeScript, along with Selenium and Java, to perform thorough and effective automation testing of applications.

SKILLS

- **Technical Skills:** JavaScript, TypeScript, Python, ReactJS, VueJS, TailwindCSS, Java, MySQL, Git, GitHub
- **Soft Skills:** Problem-Solving, Effective Communication, Team Collaboration, Adaptability, Time Management

CERTIFICATIONS

- Google IT Professional Certificate - Coursera
- Meta Front-End Developer Professional Certificate(6/9) - Coursera

HOBBIES

- Stock Market Analysis.
- Playing badminton and cricket.
- Listening to Music.

EDUCATION

B.E CSE - 8.46 CGPA

Jaya Engineering College, Chennai

📅 2020-2024

Intermediate - 92.9%

Narayana Junior College, Hyderabad

📅 2018-2020

SSC - 8.3 CGPA

St Joseph's High School, Hyderabad

📅 2008-2018

PROJECTS

Feedback System

- Developed an application for collecting student feedback on faculty, providing an admin interface for analysis and chart visualization.
- Utilized ReactJS, ChartJS, Supabase, and Prisma (ORM) to create a seamless user experience.
- Replaced the manual user feedback collection process, increasing efficiency by 50%.

Ethnic

- Built an E-commerce platform for small-scale sellers to market their products online, enhancing their business reach.
- Implemented using ReactJS, TailwindCSS, and Firebase to ensure responsive design and efficient data management.
